

Campus Recruitment Training Proposal for Engineering Students

We SSIT Pvt. Ltd., Nagpur (Maharashtra) conduct Campus Recruitment Training Programme for Engineering, Polytechnic & M.C.A Students (first year to final year) & provide placements in reputed industries.

We all know it is difficult to get job for fresher technical students in good industries, the reason behind that is lack of knowledge & confidence which is necessary to place in any company.

Being as a recruiter I personally believe training is important for fresher students to make them industry made ready & provide placements at college door steps.

SSIT Pvt. Ltd. Is a pioneer company in training & placements having proven track records of placements among Maharashtra & across the region.

In our training programme we mainly emphasize on aptitude test, logical reasoning, verbal ability, group discussion & personal interview. We conduct training programme for 5 to 7 days which includes above topics.

After completion of training we normally start our placements from December & finish it before completion of academic session i.e. March or April.

We SSIT Pvt. Ltd. Conducted training programme in many colleges of Maharashtra
