

About Us

SSIT is dynamically high end IT training, Placement & software Development Company registered at Nagpur (Maharashtra).

SSIT provides In-house & outdoor training for Technical students, Professionals & corporate sector on advanced Technologies present in today's IT Market.

We believe Right training in Right direction is very crucial to impart the knowledge of any individuals.

SSIT has created a very good name as far as IT Training is concern among all the competitors present in today's IT Market.

SSIT committed clients about quality assurance & provide training solutions on latest technologies .Clients from various industries appreciated about the quality of SSIT. The Training team of SSIT has the ability to take your business to the next level.

At other hand SSIT provides placement platform to the fresher Engineers, B-Tech, M.C.A. & polytechnic Students in reputed companies.

SSIT conducts Campus Recruitment Training in colleges to bridge the gap between companies & job seekers.

Summer training program is the best ventures of SSIT for fresher technical students to make students technically sound & make them employable through the placement assistance.

SSIT has developed software for his corporate clients like Ordnance Factory Ambajhari, Nagpur (Maharashtra), Vehicle Factory, Jabalpur (Madhya Pradesh) & many more clients.

SSIT has a team of energetic & talented software engineers who are able to developed software on latest technologies.

We are very experienced custom web application Development Company providing high quality and cost effective web development services using latest technologies ASP.net. Our web development services are tailored specifically to meet client requirements and business objective of customers. We have experience of delivering high performance web application with complex functionalities and have achieved commercial success. SSIT web development services enable organization to reduce time to market, get closer to customers and achieve long-term, profitable growth.

We are providing indoor and outdoor training, workshops & Seminars on different latest technologies like C, C++, Core Java, Advance Java, Android, PHP, .Net, C#, VB.Net, Lab view & Many other latest technologies depend on requirements of colleges & Industries.

We are providing Internship Programme:

Ideal for B.E., B. Tech & M.C.A. Students

About the program

SSIT offers internship projects to engineering (IT &CS) students to give them an exposure to real time work environment by letting them work on live projects. Objective of SSIT Internship Program is to assist Engineering graduates in enhancing their overall skills set to improve their employability level to match industry expectations. SSIT is offering internship programme to Engineering students, which will be totally a practical exposure to the students.

Experience of working on live projects

The internship programme is designed to enable interns work on live projects to give them an opportunity to apply the theoretical knowledge they have gained in the classroom. Interns get to see the immediate impact of programming tools and techniques applied by them.

Benefits for students

More and more corporations around the world recognize that, in order to gain a competitive advantage, they need to make sure their people know how to handle themselves at work and how to relate with the new technologies. Some of the things, which students will learn during their internship SSIT, are:

- **Real Time Trainers**

Always the employer prefers to go for a person who has an experience, because, by hiring an inexperienced person the company has to incur an additional cost on training of the candidate, so always they try to avoid going for a fresher. To remove this barrier for the fresher's SSIT is giving them an opportunity to become a real time trainee in the best and top most companies.

- **Assured Opportunities in top companies**

Doing an internship in SSIT can fetch you a better and bright future by giving an opportunity of being placed in the top companies. We have a track record of giving placement assistance to the outperformed students in their internship programme to the well known companies in the IT sector. Come grab opportunities and make your carrier successful.

- **Exposure to current technologies**

In today's world, academic knowledge alone is not sufficient to grow and excel in life; you need something more which adds up to your qualification. As we already told, you will be treated as a real time trainee; you will be exposed to the latest technologies in the market, which will give you a better chance of placement.

- **Corporate Culture**

Along with the knowledge and skills, it is very important to know the corporate culture that you have to follow in the corporate world. Even though you are not an employee of the company, you will be working with the employees of the company through which you can learn about the corporate culture and the organization structure.

Learning

There are many colleges, which are offering engineering and technical courses to the students, through which students can gather only the theoretical knowledge about the subject, but there will be a lot of difference between theory and practical. At last, students are not getting a practical exposure of the subjects they study, so to fill this in the fresher's SSIT is offering the internship programme for Technical students. Students who do an internship with SSIT can learn about the latest technologies that are existing in the market. In addition, you will be working with a team of experts in the company where you have a chance of learning from their experience and you can have a real working environment in the company.

Job assistance

SSIT offers job assistance to interns based on their performance during internship projects. Along with the internship, we also help the students to perform exceptionally in their final placements. SSIT itself hires lot of fresh Engineering graduates for its own internal requirement other than that we also have a dedicated recruitment team to assist them for placement at our associated companies.

Internship Certificate

All the students who successfully complete their projects with SSIT will get an internship certificate, which will give them a big edge over their peers while applying for final placement. At the end of internship, the Project Guide will review final project report and the daily reports of interns before handing over the certificates.

*Note - This Internship Certificate will be send to the Placement Officer of the college

Interns can collect the same from their Placement Officer.

Benefits for College

Not only students but colleges also benefit by getting associated with SSIT for Internship Program. Some of the direct benefits what college gets are

- **Higher Placement Percentage**

As we help students for getting a final job it help colleges also in improving their overall placement track record.

- **Enhanced College brand image in corporate world**

SSIT internship program is well recognized by lot of leading MNC Companies and are keen to hire Engineering students who have done their internship projects with us. It works like a big push for college brand awareness when their students do their internship with SSIT.

- ✓ Higher placement packages for students
- ✓ Reduced burden on college career placement office

Software Development

Software development is nothing but the process for developing any software product. It is a process of maintaining and writing of source code, preparation of objectives of desired product and their requirements.

It also includes new development, research, modification, prototyping, reuse, maintenance, and much other process which gives output in software products.

We Understand Your Business

SSIT has the extensive expertise, experience and resources to develop Custom Software applications that best suit our client's needs, budget, schedule and existing infrastructure. We strive to focus on the customer and deliver solutions designed around their requirements.

Our dedicated software development team has a unique combination of technical expertise, functional knowledge base, result oriented management and extensive experience.

We believe in developing long lasting business solution rather than just developing an application, which satisfies your needs for short period. Software development at SSIT is robust, scalable and secure.

Our Custom Software Development process includes selection of optimal technologies, system planning, prototype creation, design, system implementation, testing, support, documentation, etc.

We have expertise and strengths in the following fields:

- Customized Application Development
- Client Server Applications
- Web Based Applications
- E-commerce
- Web Designing
- Web Development
- SEO
- Web Hosting
- Domain Registration

Together We Can:

We work together with our customer to identify and apply technology solutions to specific business needs.

Our Works

Workshops & Seminars:

- 1) Tulsiramji Gaikwad Patil College of Engineering & Technology, Nagpur (Maharashtra).
A Seminar on “**C#.net**” (14th July 2011).
- 2) Waingangā College of Engineering & Management, Nagpur (Maharashtra).
2 days workshop on “**Red hat Linux**” (15th & 16th July 2011).
- 3) Cummins College of Engineering for Women, Nagpur (Maharashtra).
A seminar on “**Data Structure**” (21st July 2011).
- 4) VYWS Polytechnic, Badnera, Amravati (Maharashtra).
2 days workshop on “**C#.net**” (17th & 18th Aug.2011)
- 5) Anuradha Engineering College Chikli, Buldana (Maharashtra).
4 days workshop on “**.net, Oracle 11g & Personality Development**”
(23rd to 26th Aug. 2011).
- 6) SSBT’s College of Engineering & Technology Bambhori, Jalgaon (Maharashtra).
3 days workshop on “**Android Operating System**” (02nd to 04th March 2012).
- 7) Dr. N. P. Hirani Institute of Polytechnic, Pusad (Maharashtra).
2 days workshop on “**Hardware & Networking**” (12th & 13th March 2012).
- 8) SSBT’s College of Engineering & Technology, Bambhori, Jalgaon (Maharashtra).
5 days workshop on “**RHEL-6**” (18th to 22nd March 2012).
- 9) Dr. N. P. Hirani Institute of Polytechnic, Pusad(Maharashtra)
30 days Training on “**Industry Based Project Module**” (27th Feb. to 27th March 2012).
- 10) J. D. College of Engineering, Nagpur (Maharashtra).
3 days workshop on “**Android Technology**” (06th to 08th Aug. 2012).
- 11) Bajaj Polytechnic, Chandrapur (Maharashtra).
2 days workshop on “**Website Development**” (23rd & 24th Aug. 2012).
- 12) J.D. College of Engineering, Nagpur (Maharashtra).
2 days workshop on “**Learning Effective Manuscript using Latex**”(18th & 19th Oct.2012)

- 13) Babasaheb Naik College of Engineering, Pusad (Maharashtra).
3 days workshop on “**Android Technology**” (21st to 24th Feb. 2013).
- 14) Dr. N. P. Hirani Institute of Polytechnic, Pusad (Maharashtra).
8 days workshop on “**.Net (Vb.Net & Asp.Net), Hardware & Networking**”
(28th Jan. & 04th Feb. 2013).
- 15) Cummins College of Engineering for Women, Nagpur (Maharashtra).
2 days workshop on “**C, C++ & Java Programming**” (02nd & 03rd March, 2013).
- 16) R. C. Patel Institute of Technology Shirpur, Dhule (Maharashtra).
2 days workshop on “**Cloud Computing**” (08th & 09th March, 2013).
- 17) J.D. Polytechnic, Nagpur (Maharashtra)
3 days workshop on “**Java Language**” (17th to 19th July, 2013)
- 18) Millennium Institute of Management, Aurangabad (Maharashtra)
5 days Faculty Development Programme on “**Android Operating System**”
(19th to 23rd August 2013).
- 19) Rajarshi Shahu College of Engineering, Buldhana (Maharashtra)
6 days Programme on “**Campus recruitment training**” (23rd to 28th August, 2013)
- 20) J.D. College of Engineering & Management, Nagpur (Maharashtra)
3 days workshop on “**Cloud Computing**” (2nd to 4th September, 2013) .
- 21) J.D. Polytechnic, Nagpur (Maharashtra)
A seminar on “**Personality Development**” (5th September, 2013).
- 22) MGM Institute of Management, Aurangabad (Maharashtra)
3 days workshop on “**PHP & Android**” (7th to 9th September, 2013).
- 23) Anuradha Engineering College Chikhli (Maharashtra)
2 days “**Campus Recruitment Training**” Programme (28th Oct, 2013 to 1st Nov, 2013).
- 24) Anuradha Engineering College Chikhli (Maharashtra)
3 days “**Campus Recruitment Training**” Programme (18th to 20th November, 2013).
- 25) Anuradha Engineering College Chikhli (Maharashtra)
7 days “**Campus Recruitment Training**” Programme (26th December to 1st January, 2014).
- 26) Sardar Patel College, Chandrapur (Maharashtra)
3 days “**Workshop on Android**” (27th January to 29th January, 2014).
- 27) Conducted Campus Drive in Anuradha Engineering College Chikhli, (Maharashtra)
SSIT Pvt. Ltd., Nagpur has selected 4 candidates of CS/IT & Electronics (3rd March, 2014).

- 28) Conducted Campus Drive in Anuradha Engineering College, Chikhali,(Maharashtra)
UVIMAC Solutions, Mumbai has selected 6 candidates of Mechanical Engineering(7thMarch, 2014,).
- 29) Conducted Campus Drive in Anuradha Engineering Collge, Chikhli(Maharashtra)
Balaji Engineering, Aurangabad has selected 4 candidates of Mechanical Engineering (4th April, 2014).
- 30) Conducted Campus Drive in RajarshiShahu College of Engineering, Buldhana.
UVIMAC Solutions, Mumbai has selected 3 candidates of Mechanical Engineering (22nd April, 2014).
- 31) Conducted Campus Drive in RajarshiShahu College of Engineering, Buldhana.
SSIT Pvt. Ltd., Nagpur has selected 5 candidates of CS & IT (28th April, 2014).
- 32) Conducted Campus Drive in RajarshiShahu College of Engineering,Buldhana
Ancyber, Pune has selected 6 candidates of CS & IT (28th April, 2014).
- 33) Conducted Campus Drive in Anuradha Engineering College Chikhali, (Maharashtra)
Balaji Engineering, Aurangabad has selected 4 candidates of Mechanical Engineering (2nd May, 2014).
- 34) Rajiv Gandhi College of Engineering, Chandrapur (Maharashtra)
“Guest Lecture on Embedded System” (9th August 2014).
- 35) Kavikulguru Institute of Technology And Science Ramtek,Nagpur (Maharashtra)
6 days workshop on **“Android Operating System”** (20th to 27th August, 2014)
- 36) J.T. Mahajan College of Engineering Faizpur,Jalgaon (Maharashtra)
4 days Training on **“Entrepreneurship Development Programme”**(21st to 24thAugust, 2014)
- 37) MGM Institute Of Management,Aurangabad (Maharashtra)
3 days Workshop on **“Website Development & Hosting”** (25th to 28thAugust,2014)
- 38) Anuradha Engineering College Chikhli (Maharashtra)
3 days **“Campus Recruitment Training”**Programme (9th to 11th September 2014)
- 39) RajarshiShahu College of Engineering, Buldhana (Maharashtra)
6 days Programme on **“Campus recruitment training”** (22nd to 27th September, 2014)
- 40) Anuradha Engineering College,Chikhli (Maharashtra)
4 days **“Campus Recruitment Training”**Programme (28th September to 1st October2014)
- 41) J.T. Mahajan College of Engineering, Faizpur (Maharashtra)
3 days **“Training Program on soft-skills”** (19th January to 21st January, 2015)
- 42) Guru-Nanak Institute of Technology, Nagpur (Maharashtra)
3 days **“Android Workshop”** program (2nd March to 4th March, 2015)
- 43) SangamnerNagarpalika Arts D J Malpani Commerce & B N Sarada Science
College, Sangamner (Maharashtra)
4 days **“Workshop on C-Language, HTML-5 & CSS-3”** (27th March to 30th March, 2015)

- 44) Kavikulguru Institute of Technology And Science Ramtek, Nagpur (Maharashtra)
6 days workshop Programme on **“.NET Technology”** (11th to 13th & 19th to 21st August, 2015)
- 45) J.D.College of Engineering & Management, Nagpur (Maharashtra)
4days' Workshop Programme on **“PHP Technology”** (19th to 21st August, 2015 & 24th August, 2015)
- 46) HVPM College of Engineering & Technology Amravati (Maharashtra)
2 days Workshop Programme On **“PHP & JOOMLA Technology”** (24th & 25th August, 2015)
- 47) Rajarshi Shahu College of Engineering, Buldhana (Maharashtra)
6 days Workshop Programme on **“Campus recruitment training”**
(22nd to 27th August, 2015)
- 48) Kavikulguru Institute of Technology and Science Ramtek, Nagpur (Maharashtra)
4 days workshop Programme on **“PHP Technology”** (5th to 6th September, 2015 & 18th to 19st September, 2015)
- 49) Government Women College of Engineering Ajmer (Rajasthan)
10 Days Workshop Programme on **“JAVA & ANDROID Technology”** (27th October, to 5th November, 2015)
- 50) Datta Meghe College of Engineering Technology & Research, Wardha.
3 Days Workshop Programme on **“Android Technology”** (28th to 30th January, 2016)
- 51) Shri. Sharadchandra Pawar polytechnic Bhilewada, Bhandara. (Maharashtra)
3 days workshop programme on **“PHP Technology”** (17th to 18th February & 20th February 2016)
- 52) P. R. Pote College of Engineering, Amravati (Maharashtra)
2 days workshop programme on **“C, C++ & JAVA, SQL”** (24th to 25th February, 2016)
- 53) MIET College of Bhandara (Maharashtra)
One day seminar on **“Android Technology”** (4th February, 2016)
- 54) PIET College of Nagpur (Maharashtra)
One day seminar on **“Android Technology”** (5th February, 2016)
- 55) NIT Polytechnic Nagpur (Maharashtra)
One day seminar on **“PHP Technology”** (9th February, 2016)
- 56) TGPCET College of Nagpur (Maharashtra)
One day seminar on **“PHP Technology”** (27th February, 2016)

- 57) Suryodaya College of Engineering & Technology Nagpur (Maharashtra)
One day seminar on “**Android Technology**” (9th March, 2016)
- 58) Priyadarshini Polytechnic Nagpur. (Maharashtra)
One day seminar on “PHP Technology” (16th July, 2016)
- 59) Sangamner Nagarpalika Arts D J Malpani Commerce & B N Sarada Science
College, Sangamner (Maharashtra)
6 days “**Workshop on Android Technology**” (18th July to 23rd July, 2016)
- 60) Suryodaya College of Engineering & Technology Nagpur (Maharashtra)
3 days workshop on “**C Language**” (28th July to 30th July, 2016)
- 61) Priyadarshini J.L Chaturvedi College of Engineering, Nagpur.(Maharashtra)
One day seminar on “PHP Technology” (03rd August, 2016)
- 62) Nagpur Polytechnic Nagpur.(Maharashtra)
One day seminar on “PHP & Joomla Technology” (06th August 2016)
- 63) TGPCET College of Nagpur (Maharashtra)
One day seminar on “**Android Technology**” (21st September, 2016)
- 64) City Premier College Nagpur. (Maharashtra)
One Day Seminar on “**Android Technology**” (3rd September, 2016)
- 65) Anjuman College of Engineering & Technology Nagpur. (Maharashtra)
One day **Guest Lecture on Aptitude & Interview Techniques** 28th September, 2016
- 66) HVPM College of Engineering & Technology Amravati (Maharashtra)
3 days Workshop Programme on “**Internet of things (IOT) Using Android
Programming**” (3rd to 5th October, 2016)
- 67) MIET, Bhilewada, Bhandara. (Maharashtra)
5 days workshop programme on “**Android Application Development**” from (26th to 30th
December, 2016)
- 68) Aakar College of Management for Women’s Hingna, Nagpur.(Maharashtra)
One day workshop programme on “**Android Technology**” (30th December, 2016)
- 69) Sangamner Nagarpalika Arts D J Malpani Commerce & B N Sarada Science
College, Sangamner (Maharashtra)
3 days “**Workshop on HTML-5 & CSS-3 Technology**” (6th January to 8th January, 2016)

- 70) Sangamner Nagarpalika Arts D J Malpani Commerce & B N Sarada Science College, Sangamner (Maharashtra)
3 days “**Workshop on PHP Technology**” (7th February to 9th February, 2016)

Our Projects:

- 1) Ordnance Factory, Ambajhari, Nagpur (Maharashtra).
Training & Software development application on “**Java technology**”(25th Sept to 25th Nov.2011)
- 2) Vehicle Factory, Jabalpur (Madhya Pradesh).
10 Days training at ITC on “**PHP**” (19th to 31st March, 2012)
- 3) Ordnance Factory, Chanda (Maharashtra)
Software developed on “**Java Technology**”. (28th May to 25th June,2014)
- 4) Developed Web Application for Jai Mahakali Land Developers, Nagpur (Maharashtra)
- 5) Developed Website for Taraa Hotel, Nagpur (Maharashtra)
- 6) Developed Software for D. K. Tailors (Boutique), Nagpur (Maharashtra)
- 7) Developed The Real Estate Property Portal For Flat And Plot.
- 8) Developed Website for Pharma Guidance Academy, Nagpur (Maharashtra)
- 9) Developed Website for Robin Services, Nagpur (Maharashtra)
- 10) Developed Website for Flat N Plot, Nagpur (Maharashtra)
- 11) Developed Website for Kiranlena.com, Bhandara (Maharashtra)
- 12) Developed Software for Saideep Electricals Nagpur (Maharashtra)
- 13) Developed Website for Shopingguru.in Nagpur (Maharashtra)
- 14) Developed Website for adishreearts.com Nagpur (Maharashtra)
- 15) Developed Web portal for Professional Banking Solutions Nagpur (Maharashtra)
- 16) Developed website for Melghat Chain Pvt. Ltd. Nagpur. (Maharashtra)

Vision:

To consistently provide innovative high quality IT training, Software Development and Recruitment services and products.

To significantly raise the standard of training and recruitment in order to be the best training and recruitment company.

Mission:

Maintaining our dedication to the technology, we will continue to refine our quality, expand our capabilities, increase our efficiency, and elevate the superior level of customer service we now provide to heighten the standard of excellence we have set in the IT industry.

Our Goal:

SSIT is responsible for creating proper education and learning environments for the student.

Our Values:

We will conduct ourselves with integrity. We will be transparent, reliable, and committed to our clients.

We are client orientated and offer training software development and recruitment services of the highest quality.

We treat all entities involved in our company with dignity and respect, while striving for excellence across all spheres within our organization.

We believe that our business will succeed through our people; therefore we will inspire and motivate them to be creative, productive and supportive of team efforts.

We are performance based and accept accountability in our roles.

We continually strive to achieve our potential as leaders through absolute professionalism.

Warm Regards

Mr. Santosh Selokar
Director SSIT Pvt. Ltd.
